PROPOSED LAWS HAVE CHANGES IN VIEW

Three Deputies Would Be Ad-
ded to County School Super-
intendent's Office.

CONVENTION ADVISES STATE LEGISLATURE

Every County in State Would
Feel Effect of Radical
Changes Suggested

If the legislature makes into law the recommendations of the convention of state and city-school superintendents held at Riverside, many changes will be brought into school administration. Present rules concerning school taxation will be materially altered. By one recommendation, if made law, Orange county would have three supervising principals added to the force of the office of the county superintendent, each at a salary of \$1,700 a year.

State Education Commissioner Shallenberger recommended that there be a change in rural school supervision. Her plan is that for each sixty teachers in a county there shall be one supervisor under the county superintendent. Teachers in cities that have superintendents shall not be counted in. Orange county has 362 teachers. Santa Ana and several other cities have city school heads. There would be at least 180 teachers coming under the rule.

Other Recommendations
The recommendation of the commissioner was adopted by the convention, and the legislature will be asked to pass the law, fixing the salary of each such school supervisor at three-fourths of the salary of the county superintendent.

Among recommendations made for laws are the following:
That rural schools may add a Ninth grade.

That the unit for state tax allowance be \$18 instead of \$13. By taking away the poll tax schools lose \$2.82 a year.

That the minimum for school tax be put at \$35 per acreage daily attendance instead of \$13. This is meant to do away with so many special school taxes, and will make the wealthier districts aid the poorer districts.

That school boards be allowed to make a levy of 20 cents for building purposes and repairs and 40 cents for maintenance of schools. At present 20 cents is the limit for maintenance, and nothing can be levied for upkeep of buildings.
That a 20-cent maximum tax be put on kindergartens. At present there is no maximum.
That the law requiring school boards to advertise for architects' plans before selecting an architect be done away with. It is stated that the law is evaded almost everywhere in the state.

That a pupil living in one school district may attend school in another, provided the county school superintendent gives a permit.

Hopes for Changes
Education Commissioner Wood's recommendation to place a county high school tax of \$60 per daily attendance at high schools of the county was adopted by the convention. Under that plan the high school rate in the high school districts would be lowered, and a rate put on districts not now in high school districts.

County Superintendent Mitchell, who attended the convention, says that he is of the opinion that some of the changes recommended will be made, though it is hard to say what the legislature will do with the proposed measures.

GERMAN LOSSES OVER 1,200,000

CLAIMS DIVORCE ILLEGAL, ALSO WEDDING

Standing of Will Rests on
Court's Decision Concern-
ing an Old Decree

PUSEY IS PRESENT HEARING ARGUMENT

Contest Concerns Disposition
of \$30,000 Estate of Mrs.
Gertrude Pusey

Basing his case upon allegations that neither of Henry F. Pusey's divorces was in accordance with law, Attorney Steele Finley is in court fighting to establish the validity of a will written by Mrs. Gertrude Pusey when she was a resident of Santa Ana and before her marriage to Harry F. Pusey of Oregon City, Oregon.

Mrs. Pusey, for years a well known teacher in the Santa Ana schools, left property here worth \$30,000. Under the will written before her marriage to Pusey at Oakland last June, the property would go to sisters and brothers, her step-mother and Col. S. H. Finley, brother of Mrs. Pusey's first husband. No will was written by her after her marriage. After her untimely death, Pusey took the view that he was entitled to half of her estate, and as Pusey's nominee, M. M. Crookshank applied for letters of administration upon the estate.

Claims by Finley
Previous to the filing of Crookshank's petition, Col. Finley had filed the will that named him executor. It seems to be conceded that there is no question but that marriage sets aside any will previously made by either husband or wife.

Attorney Finley asserts that Pusey, who was twice married before he married the Santa Ana teacher, was not legally divorced from either of his former wives. It is alleged that in securing the divorce from his first wife twenty-one years ago Pusey failed to mail a summons to the defendant, as required by the Oregon law, if the address of the defendant be known. The flaw alleged in the second divorce proceedings is that legal notice of representation, as required by law, was not given to or by the district attorney in the Oregon county in which the decree was obtained. Thus it is declared that Pusey was not able legally to be married again, and that therefore his marriage in Oakland last June is void.

Hears Arguments
Finley and Attorney Fleming of Los Angeles argued the case before Judge West yesterday and today, and further argument will be presented next week. Pusey was in court with Attorney R. Y. Williams of Santa Ana and Attorney Latourette of Oregon, representing Crookshank. They quoted numerous Oregon cases to back up their contentions that Pusey was legally divorced. They declared that the Oregon law would not recognize the technicalities brought up by Finley, which errors they do not admit exist.

Judge West will receive the case on briefs. No decision will be reached possibly for a month.

POLICE JUDGE'S KIN HELD FOR BLACKMAIL

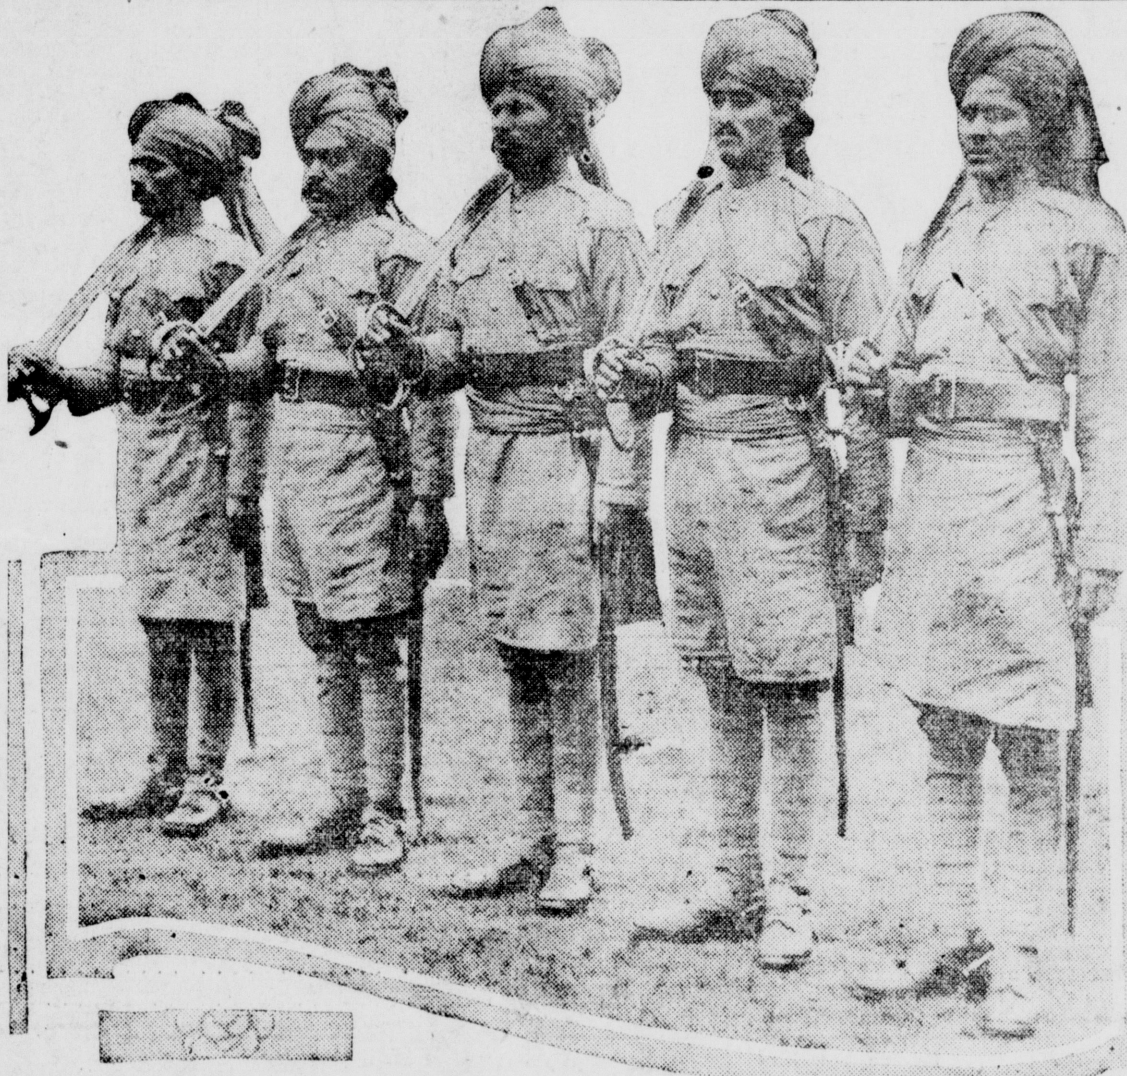

Charge is Extorting Money
From Woman Loan Shark;
Case May Be Dropped

SAN FRANCISCO, Dec. 19.—Arthur P. Crist, brother of Police Judge Crist, and Horton Phipps, charged with extorting money from Mrs. Sadie Y. Thompson, a money lender, appeared before Police Judge Deasy today for their preliminary examination.

At the request of the district attorney's office the case was postponed until Monday, when the case against Phipps will probably be dropped, since the grand jury last night indicted him. Crist was not indicted. It was intimated today that unless evidence is placed in the hands of the district attorney before Monday he will ask for a dismissal of the case.

TWO TYPES OF EUROPE'S FIGHTING TROOPS

Upper picture shows typical Pathan soldiers who are fighting with the allies; lower picture, typical German soldiers of the line. One may be seen to be decorated with the Iron Cross. The Pathans are known as the fiercest fighters of the world, without fear and scornful of death.

Woman Found Dead in S. F. Dentist's Offices

SAN FRANCISCO, Dec. 19.—The body of a woman found dead yesterday in the office of J. J. Leak, a dentist, remained unidentified today. Leak and his housekeeper, Miss Annie La Belle, remain in custody pending an investigation. The police suspect an illegal operation.

Leak says he never had seen the woman until she came to his office at noon yesterday. She complained of being ill, Leak says, and he took her into an adjoining room and told her to lie down and rest. He looked in a few hours later, he says, and found her dead.

S.S. COOS BAY IS WRECK LOSS AT VENTURA DOCK

Bean-Carrying Steamer Sinks
After Crashing Into and
Smashing Wharf

VENTURA, Dec. 19.—The Pacific Coast Steamship Company's steamer ship Coos Bay was wrecked here today and, according to its skipper, is a total loss.

While being drawn to its berth the stern line parted and the ship crashed violently into the wharf. Crushed amidships, the craft quickly settled, water rushing into the hold.
The wharf was badly damaged, broken piles and superstructure timbers mingling with the steamer's wreckage. The Coos Bay was coming from San Francisco for a cargo of beans and was operating on the company's "narrow gauge" run between San Francisco and Ventura.

SAN DIEGO, Dec. 19.—A wireless message from Captain Reyer of the freighter Isthmian today said the ship, which went ashore Thursday on San Benito Island "is O. K., with chances to make San Pedro good." Apparently Captain Reyer now intends to take the Isthmian there. He asks that a tug meet him off Coronado Islands. He is proceeding slowly up the coast.

RAY ADKINSON WINS POMONA CROSS COUNTRY

CLAREMONT, Dec. 19.—Ray Adkinson of the freshmen class of Pomona College, who graduated last year from the Santa Ana high school, won the annual cross-country run here Thursday, covering the distance of four miles in 21 minutes and 20 seconds. Berry, the world's high school record holder, now attending Pomona, finished second, a poor second at that. Walden came in third. The defeat of Berry was a sensation.

WEATHER FORECAST

For Santa Ana and Vicinity—Fair tonight and Sunday. Northwest winds. Heavy frost Sunday morning.

FIRST SNOW OF SEASON FALLS AT PORTLAND

PORTLAND, Ore., Dec. 19.—The first snow of the winter fell here today.

KANSAS CITY, Mo., Dec. 19.—Kansas and Western Missouri were buried under the heaviest snowfall of the season last night. The fall ranged in depth from 2 to 8 inches. It was preceded by a fine mist, which made walks, roads and rails slippery. Numerous accidents resulted.

Street car schedules in many towns were memorialized, and all railroads reported trains from the West late. Telephone and telegraph wires were hanging heavy under loads of snow. Leavenworth reported the heaviest snow in two years.

WILL PLAY FOOTBALL HERE ON CHRISTMAS

Lawrence ("Si") Eaton was in Los Angeles today and completed arrangements for Jack D'Atie, who coached the Los Angeles Athletic Club team this season, to bring down a team to play a Santa Ana team, composed mostly of men of the Poly championship team, at Moose Park on Christmas day. The lineup of the local eleven will be made up from the following: H. Holzgrafe, Burkett, Oertly, "Big Spud" Morrison, Catland, Stewart, Eaton, Lantz, Gronard and Chalkey. It is quite likely that Reeves and Lutz, both well-known varsity men, will play with the locals.

SATURDAY, DEC. 26 TO BE A LEGAL HOLIDAY

SACRAMENTO, Dec. 19.—The governor's office has announced that Saturday, December 26, is to be declared a legal holiday. Banks and business houses, it was stated, asked the governor to take such action to permit closing Thursday to Monday for Christmas.

HUNGARIANS PROTEST AT SELF-SACRIFICES

Intimated Country May Call
Them Home for Defense
of Own Firesides

BY ED L. KEEN

LONDON, Dec. 19.—At different points along their fronts, both the Germans and Russians had successes in the eastern war theater, if official reports by Field Marshal von Hindenberg and Grand Duke Nicholas are to be accepted.

Conditions in the south undoubtedly favor the Germans. Their advance on Warsaw from the north has undoubtedly been crushed, but south of the Vistula it seems clear their aggressive movement is still in progress.

BRITISH SHIPS SUNK BY MINES

GENEVA, Switzerland, Dec. 19.—Statistics showing that Germany has lost 1,200,000 in killed, wounded and captured, appear in Swiss and German newspapers today.

LONDON, Dec. 19.—Two British mine sweepers are reported sunk, and a third damaged, on the English coast between Scarborough and Filey. They struck German mines they were trying to remove.

LONDON, Dec. 19.—That the Russians are retreating along the entire 250 miles of front in Poland is asserted in an official statement received today from Vienna.

LONDON, Dec. 19.—Further advances by the allies in France and Belgium have been made, according to official statements issued here. Paris admits slight German gains in the central part of the line but claims these are unimportant. Berlin reports of continued German advance on Warsaw from the south are accepted here. The battle before Warsaw is still raging and the Germans claim is turning in their favor.

PARIS, Dec. 19.—In the Aisne district, artillery duels continue. The Germans are more active in the Champagne district. In the forest of La Grurie, in Argonne, a German mine has been blown up. A slight German advance is admitted near Saint Hubert, but on the heights of the Meuse two German batteries have been destroyed and a third damaged by artillery fire directed by aviators.

ATHENS, Dec. 19.—German diplomats here renewed their efforts today to prevent a rupture between Greece and Turkey. The Kaiser's ambassador at Constantinople has been ordered to do his utmost to secure the release of the Greek non-commissioned officer attached to the Greek legation there, who is under sentence of death as a spy.

EGYPT IS TAKEN OVER BY ENGLAND

Formal Transfer of Sovereignty
Made to England; Khedive
Abbas Hilmi Deposed

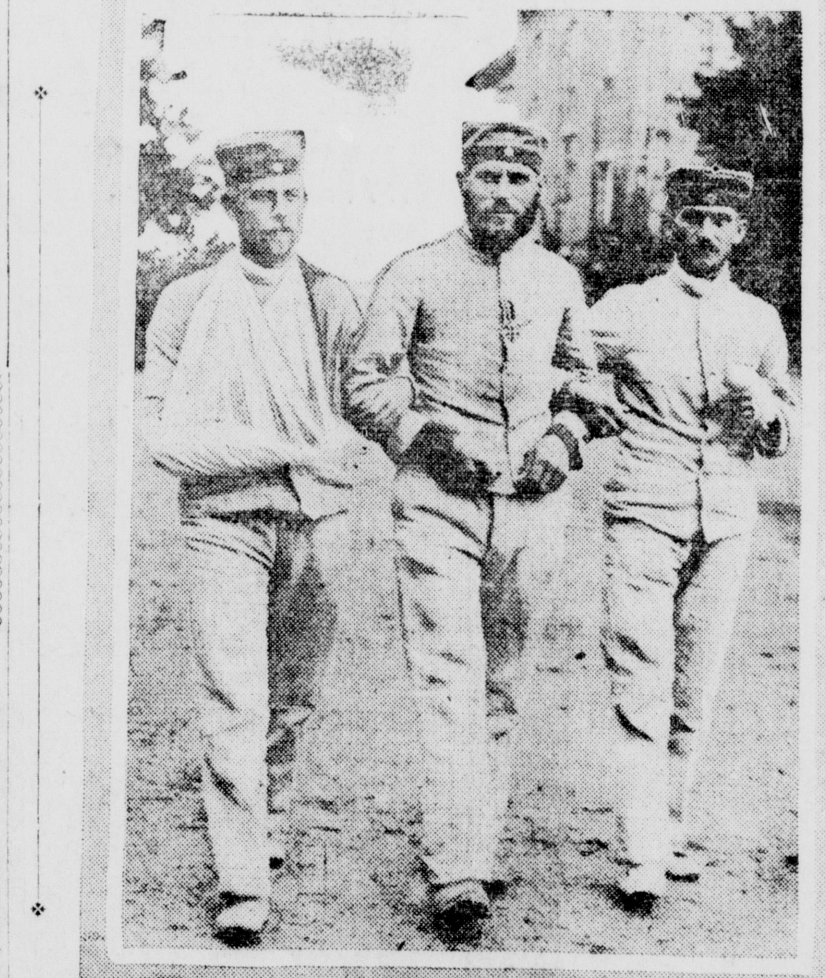

LONDON, Dec. 19.—Great Britain yesterday took formal possession of Egypt as one of the protected provinces of the Empire and accompanied the action by deposing the Khedive, Abbas Hilmi, who has come out openly on the side of the Germans.

Impressive military ceremonies in the principal cities of Egypt marked the transfer of sovereignty from the Sultan of Turkey to the monarch of Britain. Salutes of 101 guns were heard at Cairo, at Alexandria and at Port Said, and simultaneously the Union Jack was hoisted at the British agency.

Prince Hussein, who is an uncle of the deposed Khedive and has a favorite son of the late Ismail Pasha, has been appointed Khedive in Abbas Hilmi's stead. Prince Hussein was educated in England and is in appearance and sympathies more an Englishman than a Turk.

LONDON, Dec. 19.—Peaceful acquiescence of the native Egyptian population to the appointment of Hussein Kemal as Sultan, is reported in today's Cairo dispatches. It is still expected that Abbas Hilmi, deposed as Khedive, because he favored Turkey, will do his utmost to regain the throne.

NO SHIPS LOST IN GERMAN RAID
LONDON, Dec. 19.—The admiralty has issued a statement denying that any British warships were lost during the recent raid by a German squadron on the east coast of England.

Luther Coulson of Burbank

LOS ANGELES, Dec. 19.—Pleading guilty to the murder of Marshal Luther Coulson of Burbank several weeks ago, two men were today sentenced to San Quentin. J. L. Maron was given fourteen years and Juan Espinosa seven. E. Espinosa, third of the gang who shot Coulson, was released because he turned state's evidence. Coulson was shot in the Los Angeles riverbed near Burbank when he attempted to compel several trampsters to leave the vicinity.

THOSE CHOSEN FAVOR GOING ON WITH JOB

Anti-River Protection Forces
Are Defeated by a Vote of
Two to One

Yesterday in the election held by the Anaheim Storm Water District three men favorable to going ahead with the protection work were elected as directors. Those men are Joseph Ficus, William Pannier and Max Nebelung.

Those opposed to the district's project of building a dike along the west side of the Santa Ana river west of Olive put up an opposition ticket, but it was defeated about two to one.

The Yorba Storm Water District is to hold its election on December 26.

CHRISTMAS PIES

Just as Important
As Christmas Presents

The ideal pie for the Christmas feast is Mince Pie, of course—just as it is for other occasions, at all seasons. Not only has Mince Pie become a national dessert—it has grown to be a staple article of diet.

But in these times, when so much is expected of the busy housewife, she doesn't trouble to make up a batch of Mince Meat. It is much easier to buy a package or two of "None Such Mince Meat" from the grocer, and it actually costs less than to make it at home.

Besides she can use it for other desserts besides Mince Pie. On each package of "None Such Mince Meat" will be found proven recipes for Fruit Cake, Fruit Pudding and Hermit Cookies—all made from "None Such." Try each of these just once, and you will understand why they are so deservedly popular.

The cost of a single package of None Such Mince Meat is so little that many housewives who read this article, and who have not heretofore been users of None Such Mince Meat, will undoubtedly try it to prove the correctness of our statements. All grocers.—Advertisement.

AMUSEMENTS

Temple Theatre
If you want to enjoy a real treat go to the Temple Theatre tonight and see Mary Pickford in the finest five reel play she has ever been seen in, entitled "Behind the Scenes." Little Mary has accomplished the greatest bit of acting she has ever done in this splendid show, even her "Tess of the Storm Country" and "Eagle's Mate" do not compare to "Behind the Scenes" and if you miss this you will be doing yourself an injustice, for seldom does an opportunity like this present itself, to see what can safely be termed the greatest of plays.

For Sunday only the Temple will present James O'Neill in "The Count of Monte Cristo."

HOUSE AGREES TO WAR APPROPRIATION BILL

WASHINGTON, Dec. 19.—The house military committee agreed today to the army appropriation bill carrying practically everything requested by the war department. No provision was made, however, for a larger army or reserve force. The bill provides \$2,000,000 for ammunition, \$400,000 for eight aircraft and carries appropri-
ations aggregating \$101,000,000.

UNITED STATES NOT TO PROTEST RAID

WASHINGTON, Dec. 19.—Determined that the United States shall continue uninvolved in the controversy which has arisen between the European belligerents over alleged violations of The Hague conventions, President Wilson and Secretary Bryan will make no representations to Germany concerning the bombardment of the east coast of England by German warships.

Suggestions from the British press that the United States should take the initiative in protesting to Germany for the alleged infraction of an article of The Hague conventions, which prohibits naval bombardment of "undefended towns," has met with no response from the Washington government.

Should England make a protest to the United States it will be received courteously, as have similar protests from Belgium, France and Germany concerning the use of dum dum bullets and other violations of the rules of warfare by their respective enemies.

GLASS OF SALTS CLEANS KIDNEYS

If Your Back Hurts or Bladder
Bothers You, Drink Lots
of Water

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Advertisement.

These two men were candidates against each other in the August primaries. The vote was a tie. The office came up for another try in the November election, and again there was a tie, 146 to 146. Today is the day set by the Board of Supervisors for the third round.

There are three precincts in the township, San Juan, El Toro and Trabuco. In the former balloting San Juan went for Goodwin, while Combs led in El Toro and Trabuco. Goodwin and Combs both live at San Juan Capistrano.

Initial Planting

GARDEN GROVE, Dec. 19.—Through an unusual interest in tree planting, Garden Grove won the honor of being selected as the place for the first round planting to be done by the County Board of Forestry. A like interest shown by the newly organized Parent-Teacher Association of this place made the Garden Grove school grounds yesterday the scene of the first actual planting done by the forestry department of the county. The members of the association take a good deal of pride in the recognition won by it for the school.

Twenty trees were brought to the school by County Forester J. M. Grant, Assistant Forester J. B. Joplin, and A. E. Bennett and T. E. Stephenson members of the forestry board. These in-

TURN HAIR DARK
WITH SAGE TEAIf Mixed With Sulphur it Dark-
ens so Naturally Nobody
Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grand-mother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides it prevents dandruff, itching scalp and falling hair.—Advertisement.

by investing in land near

Templeton
or Paso Robles

This locality has been producing a very superior quality of apples, pears, prunes, cherries, grapes, almonds, and walnuts without irrigation for many years, but it was only recently that any particular attention was paid to the development of the fruit and nut industry.

During the last year or two many thousands of acres have been set out by men from Southern California and orders have been placed with nurseries for trees to plant five thousand acres this coming season.

The Templeton-Paso Robles district produces a wider range of products than is grown in any other one locality between Los Angeles and San Francisco. This locality possesses several distinctive features which make it especially attractive for investment and home building.

Good ranches, most any size, \$75.00 to \$150.00 per acre. Well located young orchards in fine condition at \$275.00 to \$400.00 per acre. Near railway station and within easy motor trucking distance of deep water port puts you in touch with the world's markets.

ELKS PREPARE
FOR SANTA'S
VISIT TUESDAYGiant Tree to Be Laden With
Goodies for Orange
County Tots

Santa Claus is coming to Santa Ana. He will be here on Tuesday afternoon, December 22.

His visit is being arranged for by the Santa Ana B. P. O. E., which every one knows stands for the "Best People on Earth." Of course, there may be quite a number of tiny tots in Orange county who do not know that B. P. O. E. signifies that but all will know it when they visit Elks' hall Tuesday afternoon.

There, every Orange county youngster of 10 years or under will find a monster Christmas tree, towering to the ceiling of the spacious hall. The tree will be loaded down to the breaking point with goodies for the children.

Tarver Montgomery is the chairman of the committee which is arranging for Kris Kingle's visit Tuesday. Helping Montgomery are George W. Young, W. C. Jerome, T. A. Winbig, R. Sam Burke and William P. Menton.

In order that "Santa" will not have too much to do when he pays his flying visit to Elks' hall in the wee small hours Tuesday morning the committee this afternoon chopped down the giant Christmas tree and brought it to Elks' hall, where it will be set up and ready to receive the hundreds of presents. The tree was donated by Vaffie and West and it grew on Fifth street in the rear of their garage and driveway on West Fourth street.

The committee is bustling around at a great rate, getting all in readiness for the occasion. The hall is being decorated today. Tomorrow morning the great tree will be decked out in its holiday attire.

Many Santa Ana ladies, friends and wives of the Elks, have been busy for several days, making several thousand little stocking bags which will be hung on the tree in readiness to be filled with Kris Kingle's goodies.

A reindeer and a tiny Shetland pony have been secured by the Elks to help amuse the children Tuesday afternoon.

The 145 children at St. Catherine's Orphanage, Anaheim, will be remembered by the Elks. The children will not be able to attend the festivities here, but their presents will be sent them.

Tuesday evening the local lodge of Elks will hold its annual jinks. William F. Menton was a caller at the Register office this morning and he stated emphatically that the typesetter had better beware should he make an amusing guessing game follow instead of "J-i-n-k-s."

ORANGE

A COURT WEDDING
PROVES A FEATURE
OF ENTERTAINMENTPleasant Affair Given by Fra-
ternal Aid Union Thursday
Evening

(By Staff Correspondent)

ORANGE, Dec. 19.—Closing the long membership contest waged by the Fraternal Aid Union, the Justice side Thursday evening presented a splendid program at Odd Fellows Hall. There was lots of doing all through the affair and everyone went home satisfied.

A large attendance turned out for the program. The early evening was occupied with several sketches, the last of which was a scene in Justice court where numerous comic pranks occurred and the feature of which was a wedding. At its conclusion the judge invited everyone into the banquet room where the tables, attractively decorated with poinsettias and smilax,

were soon groaning beneath the weight of delicious sandwiches, olives and coffee. The bride cut a huge wedding cake and gave personal attention to its distribution.

During the progress of the banquet with D. F. Campbell acting as toastmaster, a two part program was given consisting of a Danish song by C. B. Christenson and an address by A. D. Bishop. The bride then was called to the telephone and found Santa Claus at the other end of the wire. He informed her that if the guests would return with her to her new home he would be there to distribute Christmas gifts.

The scene was then shifted to the main lodge hall where W. W. Perry gave a fine impersonation of old St. Nicholas. Among the gifts scattered around was a gold medal for Hardy Robertson as present of the Charity side which won the contest with a margin of several hundred points. The evening was concluded with several musical and oratorical numbers which sent everyone home in a pleasant frame of mind.

An El Modena Banquet

Four months ago the men's Breaan Class of the El Modena Sunday School challenged the ladies' class to a contest, the winning points to be, increase of numbers, percentage of attendance and lesson preparation. The losing side was to give a banquet to the winners.

Then began zealous work on the part of the contestants. Mrs. Will Murray, president of the ladies' class, leading one party, and Mr. Herbert Grey being head of the opponents. The men spared neither horse-flesh, gasoline, time nor eloquence; the women used tongues and telephones, and beat them at their game. When the final tally was made, the classes were even in numbers, fifty-three apiece, but the ladies were ahead thirty-nine points on regularity of attendance and care of Bible study. So, on last evening, Thursday, December 17, the men served their banquet to the winners of the contest, the new schoolhouse being the scene of the festivities.

Tables, loaded with a bountiful feast of good things, extended the length of the front hall and the entire length of the west wing, with plates laid for one hundred and six persons—and every chair was filled. Mr. Carlton as chef, and Mr. John King, head waiter, with his corps of eight uniformed assistants, served the numerous guests in most approved style.

After the last course, Prof. Reid, principal of the El Modena school, acted as toastmaster, and with many clever hits, introduced the speakers of the evening.

Rev. H. H. Moore, pastor of Friends' Church, gave "The History of the Contest," enumerating the reasons why the ladies had the advantage and making many plausible excuses for the losers.

Mr. and Mrs. B. Barrein celebrated their silver wedding anniversary Thursday at the Dr. Jones ranch on East Walnut avenue. A crowd of their friends surprised them there and spent a jolly afternoon. After congratulations the guests were seated at a very elaborate dinner. The guests of honor received numerous handsome remembrances of the event. Those present besides Mr. and Mrs. Barrein and family were: Dr. Jones, Mr. and Mrs. Burke, Mrs. Lawson, P. Schmetgen, Mr. and Mrs. Fred Rohrs, Mr. and Mrs. W. Watling, Rev. and Mrs. Kogler, Mr. and Mrs. Dalnke, R. Frick and Mrs. Raedel.

J. P. Boring made a business trip to Long Beach yesterday.

J. C. Kelly came up Thursday from his ranch below Capistrano, remaining over until today.

Elmer Yordy is reported on the sick list.

Mrs. W. G. Morrow of Pasadena was a guest Wednesday at the C. F. Schubert home, where she came to help celebrate the sixty-eighth birthday of her mother.

Mrs. George Johnson and baby visited here Tuesday at the home of her grandparents Mr. and Mrs. C. F. Schubert. Their home is in El Paso, Texas.

The Christmas vacation for the Orange public schools started yesterday afternoon and will last until Monday January 4th.

Friday night's rainfall amounted to .02 inches, bringing the season's rainfall to 6.72 inches.

WEST'S FIRST REAL
CHAMPIONSHIP RACE
FOR TRACK HONORS

Bob Burman and Barney Oldfield will meet at Ascot Park, Los Angeles, this Sunday in the first bona fide world championship track event ever staged in the West. The Speed King and the Master Driver will travel fifty miles to decide their respective merits, and the winner will have a clear right to the title of greatest circular course driver on earth.

Oldfield and Burman have been five years in preparing for their meeting. All over the country the pair have traveled their respective circuits, hurling challenges at each other that were never accepted until the present. Now all the bickering has been out and each driver quietly says that if the other fellow beats him he will know he has been in a race.

Both the star pilots have put in every minute possible during the past two weeks in preparing for the grind. Burman has completely overhauled his record-making French Peugeot. Oldfield has had his famous Fiat Cyclone at the track every day. Nothing short of a record will satisfy either side.

Ascot Park is in fine shape. It is constructed in a sandy loam that dries out readily, and after a heavy storm the course is faster than after a long drought. Burman went a mile in close to fifty seconds in a brief tryout Thursday afternoon, and declared he was never on an oval which offered the same possibilities for unlimited speed.

The big race will start at 3 o'clock, unless it rains heavily Sunday morning. Don Lee will act as referee, and prominent motoring enthusiasts from all over the West will ominate in other capacities.

POSTOFFICE
RUSH IS ONFour Extra Men Now Working;
Add Ten More by Christ-
mas Day

To handle the holiday mail, Postmaster Shaw has already put on three sub clerks and one extra clerk. Shaw stated this morning that another carrier would be added Monday and that in all probability ten extra men would be working on parcels post stuff by Christmas. The Christmas rush has already begun.

"Receipts at the local post office for this week are not as great as for the corresponding period last year, but there can be no doubt but that this is due to the rainy weather which has prevailed during the past week," said Shaw this morning. "It is certain that the receipts would have been as great if not greater had it not been for the rain."

It is the general belief throughout the country that the Christmas rush will not be as great this year as last. Nevertheless, considering the weather and other factors, Santa Ana's post office business is very satisfactory so far and it is more than likely that by next Friday the holiday business here will be greater, comparatively, than that of any other city in California.

Thirty sacks of mail left Santa Ana yesterday. Shaw states that about fifteen of these sacks may be ascribed to holiday remembrances.

Consignments from the east are increasing daily. Yesterday sixty-six sacks of matter were received at the local office.

The receipts for this week, exclusive of today, were \$1350, while for the corresponding period last year they were \$1440.

Expedition Service

A dispatch from Washington states: Postmaster-General Burleson, in a statement issued last night, promised the public "successful dispatch and delivery" of Christmas parcels and letters. The vast bulk of mails, he said, already had begun to move and was being handled promptly and well. The "mail your parcels early" suggestion, recently made by the department in large volume earlier than last year and officials believe it will greatly reduce the usual rush of the few days immediately preceding Christmas day.

JUSTICE BEFORE PROFIT

Postmaster General Burleson is felicitating himself and the country upon the showing made by the postal service. He says the service is now not only on a paying basis, but is making some money, and that one-cent letter postage is not far off.

One-cent letter postage will be all right when the time for it comes, but there are other things that should come first.

Better pay for mail carriers and postoffice employees generally, for one thing. These men do an important work and their job is no easy one. They must be men of first class intelligence and of good character, the kind of men who raise families and are self-respecting and ambitious, who require good home conditions. Their pay is inadequate.

And for another, pensions for those who have worn themselves out in the service at wages too small to enable them to save anything for their support in their old age.

Anyway one-cent postage would not be of any material benefit to anyone except the great business concerns which mail letters by the thousands and millions, and who would not be likely to pass the benefit of their saving along to the masses of the people. By all means let us have one-cent letter postage—after we have done justice to our hundreds of thousands of faithful and efficient employees.

It is up to you. We have the candies, the glace fruit and the fancy boxes. If you have the girl the world is yours. At the Dragon.

Would Expend Surplus on the Newport Road

Santa Ana, Dec. 16, 1914.

Editor Santa Ana Daily Register:

Now that the roads originally designated to be paved through the sale of the \$1,270,000 of county bonds are nearing completion and it is found that there will be a surplus of more than \$100,000 in that fund, it would be well to use such surplus in building other roads where they would be of greatest benefit to the community.

One of the most used and most useful roads in the county is Newport road. As the far famed Smiley Heights are to the county of San Bernardino, so are Lemon Heights better known to be to Orange county. Many persons who have visited both of those sections say without hesitation that the view from Lemon Heights is better and much grander than from Smiley Heights. Thousands of dollars have already been expended by private enterprise in constructing broad, winding roads of easy grade among the lovely hills of Lemon Heights. The grounds have been beautified with roses and other flowers and with ornamental trees. Some of the greatest wonders in modern irrigation have been achieved in Lemon Heights. Newport road leads directly to Lemon Heights. Newport road has already been paved from Newport Beach to a point near Tustin. If that pavement were continued two or three miles further on its northeasterly end it would complete the pavement to Lemon Heights.

The city of Santa Ana and the county of orange will become better and more widely known by reason of the beauty of Lemon Heights, and now while the fund is available is the time to build the pavement.

STATEMENT IS MADE BY THE FIRE CHIEF

At a recent meeting of the City Trustees the fire department was exonerated by the City Trustees of all blame in connection with a blaze that destroyed some stalls at the Santa Ana race track. J. M. Aikens took the matter up further, with the result that Fire Chief Young has issued the following statement to the trustees:

Gentlemen:—My attention has been called to the matter of the complaint of Mr. J. M. Aikens in reference to a fire at the race track after my report to the board in defense of the fire department.

In fairness to Mr. Aikens, I give the following explanation of the affair so that the statements appearing in the papers after the board meeting will give a better idea of Mr. Aikens' attitude in the matter.

A fire alarm was turned in to the fire department by telephone about 4 o'clock in the morning, calling attention to a fire at the race track. The boys at the department called me out of bed and asked me what to do, and I stated that inasmuch as the race track was outside of the city limits and I knew from a former experience that it was nearly a half mile to a water connection, and knowing that the two small chemicals on the apparatus was not sufficient in size to put out a large fire, I advised the boys not to go to the fire.

During the night at the board meeting when I made the statement that some of the boys from the fire department went to the race track, I was in error, in so far that the boys did not get to the fire, although they started, and since this fire I have ascertained that a portion of the stalls destroyed by fire were in the city limits.

Yours truly,
W. C. YOUNG, Fire Chief.

SILVER WEDDING

Jolly Crowd Helps Mr. and Mrs. A. E. Bird Celebrate 25th Anniversary

A jolly crowd gathered at the residence of Mr. and Mrs. A. E. Bird, 1055 West Fourth street, Thursday evening, to pay their respects and congratulate them on the twenty-fifth anniversary of their wedding.

It was an informal affair. The host and hostess had given out word that they would be glad to meet their friends on December 17th to commemorate the event which took place at Anaheim twenty-five years before, when Orlanthea Hendricks was united in marriage with Allison E. Bird.

On that occasion Mr. W. L. Dunlap acted as groomsmen and Miss Nellie Hendricks as bridesmaid. By rare fortune both of the latter were able to be present Thursday evening.

The home was decorated with poinsettias and red roses. J. W. Mitchell's orchestra furnished lively music which was very much appreciated by his auditors and under the influence many indulged in the old-time "trip of the light fantastic toe."

Geo. E. Peters was the officiating clergyman and the solemn vows were pledged again, at the close of which all present were invited to be present at the golden wedding without further notice.

The hostess, assisted by Misses Estella, Gussie and Ora Napoleon and Miss Esther Bird, served fruit and cake, after which the guests departed. Just before leaving they presented the bride and groom with a beautiful piece of silverware as a memento, and all wished them many happy returns of the day. Those present were Mr. and Mrs. Geo. E. Peters, Mr. and Mrs. A. E. Shoemaker, Mr. and Mrs. J. R. Fowler, Mr. and Mrs. John Crawford, Mr. and Mrs. E. N. Anderson and Assemblyman J. C. Burke, two of its members. The banquet will be held in Santa Ana. Attorneys Clyde Bishop, A. W. Ritan and H. J. Forgy are a committee on arrangements.

Annual Giving Service

The Annual Giving exercises of the Sunday school of the First Baptist church will occur Sunday evening at seven o'clock. At this time the various classes of the Sunday school bring gifts for those of town who may have need of what they can give. There will also be toys and such things as will make glad the hearts of the little folks that Santa Claus might not find at Christmas season.

Already much nice warm clothing has been contributed and this supplemented by the groceries, bedding, etc., that will come in Sunday evening will aid some in cheering some of Santa Ana's homes that might otherwise be void of the season's giving custom. All articles will be wrapped in white, thus giving a pretty touch to the platform by the donors. At each entrance door are to be bins to receive apples, sweet or Irish potatoes, one of which each attendant upon the services is asked to bring.

The following program will be rendered:

Orchestra overture, Scripture reading, by Douglas McPhie; prayer, by Rev. Otto S. Russell; song, "Somebody Did a Golden Deed." Primary contribution; Junior contribution; song, "Help Somebody Today."

Intermediate Department gifts: Mrs. Catland's class, Mrs. McDowell's class, Mrs. West's class, Mrs. Taylor's class, Mrs. Chaffee's class, Miss Camp's class.

Duet, "Pass It On," Miss Blanche Minter and Miss Mayme Havens.

Adult contributions: Mrs. Holmes' class, Philatheas, Baracass, Fidelis, H. E. Smith's class, Mrs. J. E. White's class, W. T. Van Cleave's class.

"Seeking a Gift," Mrs. Bassford of Los Angeles; quartet, "I Gave My Life for Thee," Mesdames Harris and Pearson, Messrs. Van Cleave and Williams; Offertory; duet, "Silent Night, Holy Night," Messrs. Benjamin and Hickox; Benediction; Organ postlude, improvisation (Lusk).

PLEASANT AFFAIRS

Mesdames Whitson and Clevenger Entertain; Occasions Very Enjoyable

A delightful affair was held at the home of Mrs. W. W. Clevenger, East Fifth street, Thursday afternoon.

The beautiful Christmas decorations were arranged throughout the various rooms, and the happy hours passed rapidly as the guests finished many Christmas gifts. During the time at sewing Mrs. J. W. McCormack began a Christmas story, which each lady added a few sentences to in turn. The mistake of spelling "jinx" ended the story in which the winners were Mrs. W. J. Wells and Mrs. H. T. Trueblood. An appetizing two-course luncheon was served and the red cloth scheme was carried out in this. The small tables looked pretty with a poinsettia shade on the candles. The ladies were assisted in serving by Misses Ramona Clevenger and Mattie Whitson.

Mr. and Mrs. W. W. Clevenger gave a progressive whist party Thursday evening. Eight tables were used. At the final count on the smiling score cards of a Santa Claus face, the first prize was awarded to Mrs. F. C. Rowland Chas. Woodford. Mrs. L. L. Whitson and O. M. Robbins received consolation trophies.

A luncheon was served at the close by the Misses Esther Johnson, Mattie and Lillian Whitson and Ramona Clevenger. Guests for the evening were Messrs. and Misses O. M. Robbins, L. L. Whitson, V. W. Whitson, E. C. Phillips, A. H. Pease, Max Reinhaus, Emory Ratcliffe, George Smith, George Balderston, H. H. Reeves, F. L. Vorgen, J. S. Wasser, F. C. Rowland, J. E. Paul, Mrs. Cora Cavins.

Another delightful event was the afternoon of Friday at the Clevenger home with Mesdames Whitson and Clevenger as hostesses. Seven tables were used in playing. The highest score was in favor of Mrs. C. S. Kendall, who received a hand-painted picture, the work of Mrs. Whitson. The consolation was a handsome calling memorandum book, given to Mrs. Verne Whitson.

A dainty two-course collation was served by the Misses Ramona Clevenger and Mattie Whitson. The guest list included Mesdames W. L. Grubb, Frank E. Tabbs, Cavins, Robbins, Reinhaus, Balderston, Tope, Dickinson, M. L. Van Cleave, L. L. Whitson, V. Whitson, Diers, Worden, F. C. Rowland, Kendall, Brownridge, Kellogg, J. W. Bishop, Dr. Paul Conner, Ratcliffe, Dr. J. I. Clark, George Smith, H. Turner, Towle, W. Wasser, J. Clarkson, H. A. Wassum, Dr. Wehrly, Miss Teresa and Pauline Reinhaus.

The home looked very cheerful and bright with Christmas bells, holly and poinsettias.

Moore Lodge Meets

Rev. Fred Staff, formerly pastor of the Congregational church in this city, last night, by proxy, thanked the Moore lodge for the very generous offer that the organization made him, in allowing him the use of their capacious hall for the purpose of giving a lecture on the war and the part Scandinavia has taken in war and peace. The date of the lecture will be Wednesday, January 6, 1915.

It was decided not to hold any meeting on the next regular date, as it will be Christmas night, and when the lodge adjourned last night it was to meet on New Year's night. This will be made the occasion of a jollification by the members, the entertainment committee having promised something special for the first meeting in the new year.

A present will be given tomorrow at the ball game. Last Sunday this was overlooked unintentionally, but there will be one given tomorrow, if the weather permits of a game.

Several visitors were present, and one of them said he had decided to place his card and membership with the local lodge. He comes from Bakersfield.

Considerable routine business was done, and the lodge adjourned.

Official Visit to Torosa Lodge

Mrs. Maud E. Bolton of Huntington Beach, the District Deputy President, will pay her official visit to Torosa Rebekah lodge next Wednesday evening.

Every member should make an effort to attend this meeting even at the busy season.

Christmas Cantata

Rehearsals of First Baptist choir on David Weid's "McLean's" beautiful Christmas cantata "Bethlehem" are coming along finely. The work will be sung in the First Baptist Church on Sunday, Dec. 27th, at 3 o'clock in the afternoon. All are invited to attend.

Gifts for Old People

Yesterday the women of the Veteran Rebekah Association met at Odd Fellows' hall and packed a Christmas box for the old women and men at the Odd Fellows' Home at Saratoga, Calif. There are 165 members of the home. A candy box was filled with home-made candies, walnut meats and raisins; a pretty Christmas card with each name was tied on the box with ribbons which made them a very nice gift. This is the second box the Odd Fellows sent from here this week. One went Wednesday from Torosa Lodge to fifty-five boys and girls at Gilroy, with gifts of books, toys, handkerchiefs, etc. These boys and girls range in age from three to seventeen years.

Attended Convention

Mrs. A. J. Lawton yesterday was in attendance at the Los Angeles District Conference which was held in the Metropolitan building. Three departments were represented, the educational, philanthropy and public health. The various club leaders are alive to all the up-to-date topics and are making special efforts to educate the large majority of women in the right manner. Next year they will specialize in the educational department on elemental education and vocational training. They will co-operate with the work on philanthropy, already well organized. The public health, especially regarding children, will be under the supervision of experts who will make a thorough canvass in every state, and such reports will be given to Julia Lathrop, who is at the head of the Children's Bureau in Washington, D. C.

Many of these club women are giving much of their means and time to the subject of general health even at the Christmas season. Mrs. Lawton has five plans for the Southern District for next year's work.

Cantata Next Wednesday

The choir of the United Presbyterian Church, assisted by a few others, will give the Christmas Cantata "Noel" by E. A. Dicks, next Wednesday evening at 7:30. The soloists will be Miss Freda Moesser, Messrs. Clifford Johnston, Walter Vierra, L. B. Babbitt and L. A. Galloway. All are most cordially invited to attend this service.

Household Economics

A very pleasing meeting of the Sixth section of Household Economics was held yesterday afternoon at the home of Mrs. Fred L. Wilkes, 1327 North Bush street. The roll call was answered by Christmas suggestions.

Miss Catherine Cubbon and Miss Margaret Orr had the program in charge, with the following subjects for discussion: "Holiday Entertainments and Christmas Candles." Miss Orr read an interesting paper on "Christmas Menus," which showed considerable time and thought had been given her subject. The entertainments were illustrated by many of the members, which caused a deal of merriment.

Small tables were decorated with red candles, also green and red for Christmas, from which were served hecken salad, plum pudding, coffee, etc. Master Houston Wilkes acted as Santa Claus and gave each guest a Christmas bag of home-made candies. Twenty were present to enjoy the delightful meeting.

Addresses League

Superior Judge W. H. Thomas was the speaker last night at the Men's League of Whittier. He spoke on "Leavening Influence of Christianity." The meeting was held at the Whittier Friends Church.

Notice to W. C. T. U.

The president of the union requests each member to send a post card of greeting to Mrs. Sarah King, R. D. 1, Santa Ana, who will celebrate her 80th birthday on December 23.

Mrs. King is one of the oldest members. Another request is, for all members and friends to attend the teachers' institute Monday afternoon, Mrs. Augusta Barn bridge will speak on "Character, Helps and Hindrances," and she is considered one of the best temperance teachers and a most interesting speaker.

Tustin Budget

Edited by Miss
Florence StoneMAKE CHRISTMAS
HAPPY FOR AGED

A report was given by Mrs. Ed Smith at the last meeting of the Tustin W. C. T. U., of things needed at the Old Ladies' Home in Los Angeles, which the Tustin Union has been accustomed to remember at Christmas time.

As there were not many present at the last meeting of the W. C. T. U., on account of the rain, this opportunity is taken to remind the members of the Union or any one else in Tustin who wishes to contribute, that some gifts will be thankfully received at this time.

This home is exclusively for old ladies who are without home and friends to take care of them, and on account of age or infirmities are unable to care for themselves.

Those in charge of the home report that the things most needed are gowns, black sateen aprons and stockings, although other things that these women can use will be acceptable.

These contributions can be left with Mrs. Ed Smith or Mrs. Sarah Brown, president of the W. C. T. U., at any time between now and next Wednesday.

EDITORIAL

AN INTERESTING EXPERIMENT

Those who honestly believe that the grape growing and wine making industry of California can be sustained as a clean, irreproachable business separate from the saloon business, have now the opportunity to demonstrate the fact.

It is said that the California Grape Growers' Protective Association has launched a movement to separate the grape growing industry of the state from the saloon interests and that the next legislature will be asked to pass laws which will work reforms in the liquor business.

Some of the laws which may be stated concisely are as follows:

"County option, except in cities having 5000 or more inhabitants."

"In licensed territory not more than one saloon for each 1000 inhabitants or major fraction thereof."

"Separate licenses to sell malt and fermented liquors as distinguished from distilled liquors."

"No saloon license shall be issued to an individual, but only to property owners, the property owner under heavy bond, to be responsible for the faithful observance of the law."

"Unlawful for any wine maker, brewer, distiller, or wholesaler to have any pecuniary interest in a saloon."

"Midnight and Sunday closing."

"Anti-treat law."

"Drastic laws concerning the sale of intoxicating liquors to minors or partially intoxicated persons."

"Such limitations and restrictions respecting the granting of licenses in license territory as will forever eliminate dives and deadfalls."

From the very nature of the business the enforcement of these laws seems a tremendous task, but if there are those who honestly believe it can be done, just now is an opportune time to try the experiment, when they have things going their way and the prohibition forces are held back for a time.

SOCIETY AND CLUBS

Deardorf-Thomas
The marriage of Clyde Deardorf to Miss Lela Thomas on Wednesday evening was something of a surprise, although it was generally understood that the pretty new bungalow was being built for the reception of a bride.

Only the relatives and close friends of the principals were present, but the wedding was a very pretty one. It took place at the home of Mrs. J. C. Thomas, grandmother of the bride. Beautiful poinsettias, maidenhair fern and smilax adorned the house. The ring ceremony was used and the marriage lines were read by Dr. J. A. Stevenson.

Most of the guests accompanied the bridal party to the new Tustin home, where a short time was spent in inspecting the pretty bungalow, which was illuminated and heated with a cheery open fire.

A good many handsome gifts were added to the already beautiful furnishings.

A call by the reporter yesterday afternoon failed to find the happy couple at home, but the rice-covered porch plainly indicated what had happened.

The sincerest good wishes for a happy future will be extended to Mr. and Mrs. Deardorf by their friends.

Tustin Literature Section
Nine members of the Tustin Literature section gathered at the home of Mrs. A. H. Stutsman for their regular meeting on Tuesday afternoon.

Interesting current events were given in response to the roll call.

The afternoon was devoted to the reading of Dickens' Christmas Carol. This reading was commenced at the last meeting and finished at this.

A short social time was much enjoyed and dainty refreshments were served.

Missionary Meeting
A combined meeting of the Women's Missionary Society with the regular Thursday night prayer service was held at the Presbyterian church last night and proved very interesting.

A missionary program had been arranged by the committee.

The meeting opened with a short business session, the roll call and reports. A very interesting report was given by Miss Carolyn Bentley as delegate to the Los Angeles Presbyterian.

The topic, "Work Among the Mountaineers," was taken up and various ones in the audience were asked to take part by reading clippings and giving interesting incidents on the subject.

An instrumental solo by Miss Valda Willard and several chorus songs by a selected choir added a great deal to the entertainment of the audience.

Veteran Odd Fellows Banquet
Mr. and Mrs. Collar and Mr. and Mrs. N. S. Long were among those who attended the fourth annual banquet of the Veteran Odd Fellows held in Santa Ana on Monday night.

Only those who have been Odd Fellows for twenty years can belong to this association.

The large crowd present was invited to partake of a turkey feast. After enjoying a social time they were invited to the banquet hall which was beautifully decorated in red and green.

Before taking their seats the company sang "Praise God, From Whom All Blessings Flow," and probably there was not one present who did not feel a thrill of gratitude for the peace and plenty now enjoyed.

John Dunstan nominated W. B. Tedford as toastmaster and W. J. Cozad, Dr. I. D. Mills, Dr. C. D. Ball, Dr. H. E. W. Barnes, Mrs. Fannie Lacy, Judge Z. B. West and many others were interesting and eloquent speakers.

Many compliments were given by the various speakers to the Veteran Rebekahs who prepared the sumptuous feast.

Many suggestions at Wingood's.

OF TUSTIN MEETS

Variety of Topics Discussed
and Fine Program Makes
Meeting Success

The meeting of the Tustin Parent-Teacher Association which was postponed last Friday afternoon on account of the rain, was held on Tuesday afternoon of this week at the school house.

With the president, Mrs. S. W. Stanley, in the chair, the usual business session was conducted.

There was a short discussion as to the arrangement of the grounds when the new school house is completed and as to the planting of seeds by the children.

Mr. Marcell gave an explanation of the special ornamentation to which the school has been asked to contribute, which is to be a handsome eagle, a shield and arrows and will be placed above the stage in the auditorium.

The program for the meeting consisted first of a song by Miss Mabel Logan, which was much enjoyed, and the remainder of the time was given to a very interesting talk by Mr. E. M. Stanley upon the subject: "The Russell Sage Foundation," a synopsis of which is as follows:

"A new idea is inspiring the thinking of today. It is the notion that we can 'grow humane.' In the nineteenth century we conquered the land, the sea and the air, through the discovery and utilization of mechanical laws. But there is one further conquest—ourselves. And this will be the task of the twentieth century. Just as we learned to control natural physical laws, so we will learn to control the biological, psychological and sociological laws that make or mar human life. In the words of Luther Burbank, 'We are not going to wait for the millennium, we are going to make it.' An belief has seized hold of men's minds that if a millennium is ever to come in the sense of a perfected social order on earth, it will come about as the result of intelligent human action directed towards that end."

"Two factors enter into this conception. First, there must be sympathy and the good will, and secondly, there must be intelligent action based on a knowledge of the facts and the laws that govern the world and the men who bungle in their work just as they have bungled for centuries. The first step, therefore, is painstaking investigation according to scientific methods. It is for this purpose and with this underlying thought in mind that the Russell Sage foundation was established in 1907. This work was made possible by a gift of \$10,000,000 from Mrs. Russell Sage as a permanent endowment. A large staff of trained workers was secured and the work organized under ten departments: Child Helping; Recreation; Education; Remedial Loans; Committee on Women's Labor; Department of Surveys and Exhibits; Division of Statistics; Southern Highland Division; Library and Publishing Department."

"The primary aim in each of these departments is to collect and co-ordinate all available data bearing on the subject of investigation, and to act as a clearing house of information for all those who desire assistance. A feature of the educational department is the play-ground movement in America. The development of the social center idea, whereby school buildings were thrown open to adults for general use, came about largely through the impetus given by the Russell Sage Foundation. It has also done much along the line of the 'safe and sane Fourth.'"

"Perhaps its best known work has been the 'Surveys.' A survey is an accurate tabulation and report on the living and social conditions of the people of a given city. The first one undertaken was the 'Pittsburg Survey,' where a corps of competent investigators spent a year gathering statistics relative to the workers in the steel mills. Over 100 cities in the United States have had surveys made under the direction of the Foundation and many more are under way."

"A special feature of the work is the library and publishing department. In its library are found over 10,000 volumes on sociological subjects, 10,000 pamphlets and 250 periodicals. Files of clippings are kept up to date and available to any one wishing information. The results of special investigation are published in book form."

At the close of the meeting those present enjoyed a look at the new school building together.

New Heating Method
A new heating by gas apparatus has been installed in the Tustin Presbyterian church and it has added greatly to the comfort of the meetings there during the recent cold weather.

The Rain
Although the rain has interfered with social gatherings in Tustin to some extent this week, the ranchers are all rejoicing. The rainfall for Wednesday night was .85 of an inch.

A Piano Sale
The Bartlett Piano Company of Los Angeles now has a display of beautiful pianos in the vacant store on Main street in Tustin.

A sale of fine pianos is being conducted by S. C. Slike of Los Angeles, for the Bartlett Piano Company. The sale will continue until after the Christmas holidays.

BEHIND the humor in this drawing we can read a little MORAL. Many folks are as SOFT as the snow man when the SUN of PROSPERITY beams down on them. They hold up a thin umbrella of GOOD INTENTIONS and cry: "See; we are playing safe. We're not spending more than we make." But the cloud SUDDENLY hides the sun. They are left a shapeless, melted mass. Then they are SORRY they didn't contract a steady, thorough BANKING HABIT.

Seven nations involved in war and five neutral European nations will have their own buildings. Exhibits from eleven foreign countries have already arrived. Forty-three of our states and one city are making individual exhibits. Finally, these exhibitors are spending more money than previously expended in any two other expositions.

Los Angeles Produce Market

Absolute lack of interest in the market of eggs caused that product to drop here to 28 cents, while in San Francisco it remains at 53¢ for fresh case count stock. Receipts were only 14 cases. There was practically no offering, and no call for fresh eggs. Storage stock moved freely. Butter receipts were 54,580 pounds, and the call was fair. Cheese arrivals were very heavy 12,840 pounds. Activity was confined largely to northern stock and some eastern varieties.

Potato arrivals were 2299 sacks, and firmness was the rule of trading. There were no onions reported in, and sweet potato receipts were 116 sacks.

AT THE COURTHOUSE

NO DECISION IS REACHED IN CONTEST

Langley Produces Former Wills
to Show Where He Was
Named as Executor

The question as to who shall be administrator of the estate of Mrs. Ellen Clark is not yet decided. Briefs are to be submitted by Attorneys Bishop and Stanley for E. T. Langley and Scarborough & Forgy for Public Administrator Winbiger.

Mrs. Clark died at the Keystone on Oct. 30. In the chair in which she died was found a scrap of paper on which was written: "Mr. Langley. To Mason lodge 100, Rest to Parsha and Lilly. Ellen Clark." Langley asserts that the brief will name him as executor. Winbiger takes the view that he is entitled to letters on the estate, valued at \$3500.

At the hearing before Judge West in the probate court yesterday Langley produced two old wills drawn up by him for Mrs. Clark. One was signed in 1909 when Mrs. Clark lived at El Modena. Those wills, and another drawn last April but not signed, named Langley as executor. One of those left one-third of the estate to the Masonic lodge at Norwalk and the Spiritualist Society of Santa Ana. In the brief will found after Mrs. Clark's death the lodge is bequeathed \$100 and the Spiritualists nothing.

Parsha Hanger of Santa Ana and Lilly White of Phoenix, Ariz., were nieces of J. C. Clark, deceased, husband of Ellen Clark.

Court Notes

Judge Thomas yesterday set for trial: Knoller vs. Zimmerman, Jan. 27; Armsby Co. vs. Oxart, Feb. 1. Alice Cockrell has brought suit for divorce against Frank Cockrell. D. A. Casey is attorney for the plaintiff.

Miles McCarthy and his wife have petitioned for an order of adoption of Stella Johnson, aged 1 year. C. R. Allen of Fullerton is attorney for the petitioner.

J. E. Prentice has brought suit to collect a \$300 note given by R. M. and M. J. Morrill to T. E. Bartlett on Sept. 12, 1914. Daniel & Daniel are attorneys for the plaintiff.

Given Probation

George Morgan, pleading guilty to burglarizing a garage at Huntington Beach, was given probation. Sentence was ordered withheld for three years. Judge West also gave probation to Lawrence Sheffield, one of the beach cottage burglars. The boy is to be cared for by his uncle at San Diego. Sentence was ordered withheld for three years.

Joe Alice, another cottage burglar, was sent to the state school at Lone

for two years.

Cosme Chacon, charged with assault with a deadly weapon, pleaded guilty to assault and got probation.

Frost Fighters

Today articles of incorporation were filed by the Santa Ana Frost Protection League, composed of citrus growers of Tustin. The organization is empowered by its articles to deal in fuel oil, smudge pots and other articles used in fighting frost. There is no capital stock. The directors are B. H. Sharpless, A. E. Bennett, J. H. H. Lippiatt, D. C. Drake and F. W. Knight.

Suit Over an Auto

N. E. Clapp has brought suit against George E. Kellogg for possession of a De Tangle roadster. The plaintiff asserts that the machine belongs to him. Clyde Bishop is his attorney.

Action on Note

William Cox is plaintiff in an action begun today against Joseph Brown to foreclose a \$5000 mortgage. Denio & Hart of Long Beach are attorneys for the plaintiff.

Estate Appraised

J. N. Anderson, E. B. Dickerman and E. B. McClair, appraisers of the estate of Delia Field, report the estate to be worth \$2500.

J. G. Quick, J. McMurdo and L. Baade have appraised the estate of Matilda H. Clark at \$4648.

To Pay Alimony

Judge Thomas has issued an order that the defendant in the divorce action of Carrie Burrows against James D. Burrows pay \$10 a month alimony and \$100 costs of suit to the plaintiff.

MAY DIE AS RESULT OF EXPLOSION

Mrs. Mariano Villamuka of 911 East Walnut street was severely, perhaps fatally, burned about the neck, arms and knees when a gasoline stove, which she was trying to fill while burning, exploded at 12:30 today. Her husband was also painfully burned about the hands when he saved the woman from being burned to death and prevented the fire from gaining headway on the property.

The woman was preparing the noon meal. The stove having gone dry, she attempted to fill it without first taking the precaution of extinguishing the burners. The stove exploded, showering the woman with gasoline which blazed furiously. It was only by heroic work that Villamuka was able to rescue the woman and save the house from destruction.

Mrs. Villamuka, while her injuries are very serious, has a chance of recovery.

**DUHART SURPRISED:
HAS HAD NO OFFER**

"Pete" Duhart, the fast shortstop of the Moose team, expressed surprise today when told of the report that he had had an offer of \$100 a month to go "North" to pitch Sunday ball. Duhart has had no offer of any kind, he says, and has never even negotiated for an out-of-town job. He will play at his old position tomorrow when Deck's players meet the Tufts-Lyons Club of Los Angeles.

That green vegetables may be grown in the Garden Grove section throughout the year is amply proved by Mrs. R. R. SNODGRASS LOSES: HE AND ARROUSEZ PUT ON BEST BOUT

Oran Snodgrass, the popular little Santa Ana boxer, was out-pointed by Jimmy Arrousez in a four-round bout staged, with others, by "T-Bone" Riley at T. M. A. hall, Los Angeles last night. The Times, in its account of the bouts, says:

"Some of the boys who appeared fought as though a little more training would increase their speed a great deal. Most of the fighters who boxed went in without any training, which made the bouts very slow.

"One, between Jimmy Arrousez and Snodgrass, was the best of the evening. Arrousez just outpointing his opponent by a few marks. These boys will be rematched on New Year's eve. The other bouts were: Dick Brenton won from Sany Solomon, four rounds; Jack Mann lost to Ed Randal, four rounds; Willie Wilson beat Henry Ortega, four rounds; Walter Ehle knocked out Paddy Dillon, three rounds; Charles Woods lost decision to Walter South, four rounds."
